

Standard

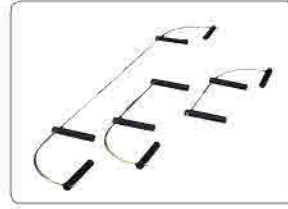

80 mm rubber pads (4 pcs.)
80 mm lastik kauçuk seti (4 adet.)

Platform lift works only with air pressure.
The lift does not drop thanks to security
locking system during hose exploding.

Platform lift yalnızca basınçlı hava ile çalışır. Hortum
patlamalarında emniyet kilifi sistemi sayesinde lift aşağı düşmez.

Optional

Foot protection kit
Ayak koruma kiti

Arms set (4 pcs.)
Kol seti (4 adet)

40 mm rubber pads (4 pcs.)
40 mm lastik kauçuk seti (4 adet.)
